

WORKSHOP REPORT

IEEE SB MCE

3ds Max

DATE : 25TH FEBRUARY

On **25th February 2018** as a part of Science day celebration , **IEEE SB MCE** conducted a workshop on **3ds Max** in association with **CAD Centre**, Trivandrum. 3dsMax is a modelling software which enables to draw 3 dimensional view of an object.

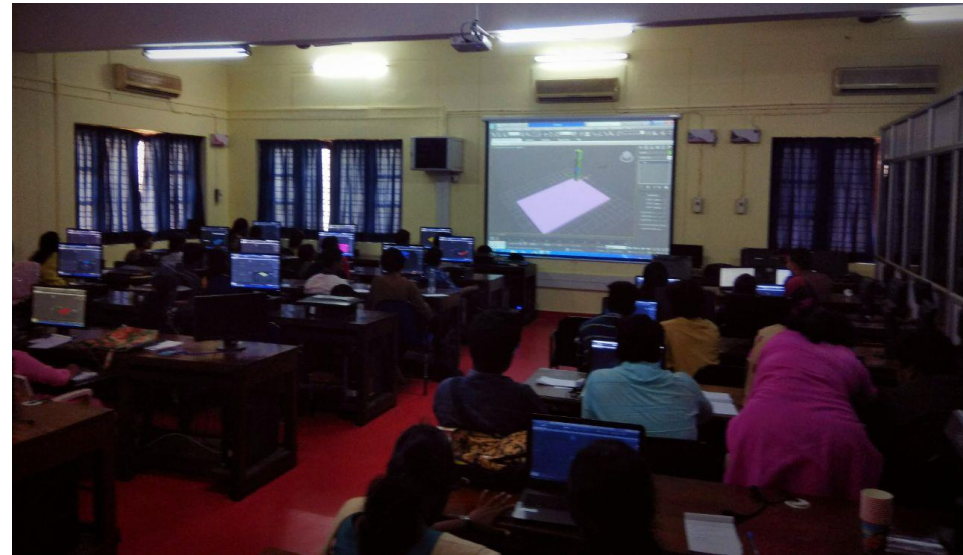

DATE	25TH FEBRUARY
TIME	8:30AM – 5:00PM
VENUE	MARIAN ENGINEERING COLLEGE

The registration process commenced by 8:30 am. The class was arranged as two sections, a theory section followed by a technical section.

The classes commenced by 10:00 am at Seminar hall. Mr Reju Chandran (Manager, CAD Centre Trivandrum) introduce students about their institute and various programmes.

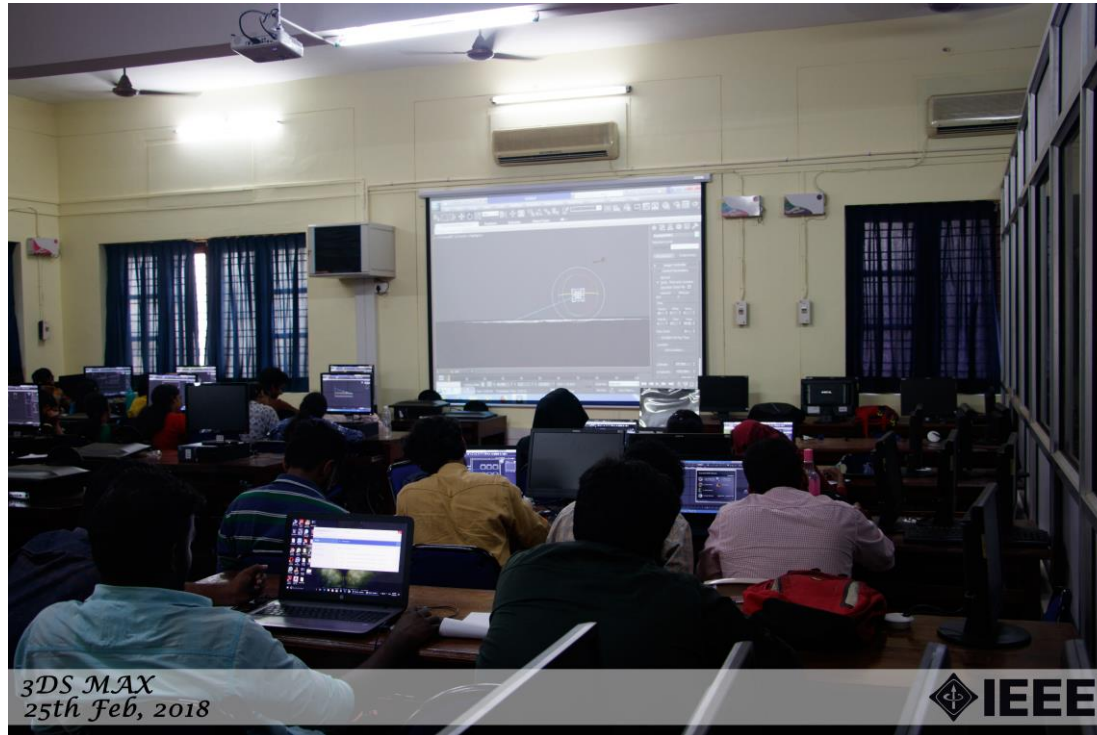

The theory section was handled by Mr Shiju John. Students were given ideas about 3ds Max, its basic tools, box editing concepts and object editing concepts. The section halted for a break at 11:15 and continued till 12:00 am.

Practical sections was based on modelling using Tools and Shapes and started at 12:00 am at Mechanical department CAD Lab and halted for lunch break at 1:30pm.

Practical sections was based on modelling using Tools and Shapes and started at 12:00 am at Mechanical department CAD Lab and halted for lunch break at 1:30pm.

Afternoon classes started at 2:15 pm and students are instructed about object editing. The section continued till 5:00 pm.

A total of 38 civil engineering students from various colleges participated in workshop.
