

MARIAN
ENGINEERING COLLEGE
Minority Institution Run by Latin Archdiocese of Trivandrum
NBA ACCREDITED

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

CENTRE FOR BIOMEDICAL RESEARCH

The Centre for Biomedical Research is formed at the Marian Engineering College to integrate academic research in biomedical with industry.

Objective:

To promote the extensive research work and medical device development into the following domains

- a. AI Enhanced Wearables and Implantable
- b. Smart Sensor Systems for Rehabilitation
- c. IoT based Health Platforms

The Centre focuses on building Intelligent Health Service which is responsive and Minimal Intrusive.

Members

Dr. Shanthi K.J - Professor

Dr R Radeep Krishna - Asso. Professor, Incharge, CBR

Prof. Vinitha B Elza - Associate Professor & HOD

Prof. Evankumar G - Asst. Professor

Prof. Dhanya Mathew - Asst. Professor

Prof. Ann Mathew - Asst. Professor

Prof. Hema S. Mahesh - Asst. Professor

Prof. Sreena V G - Asst. Professor
