

# **CENTRE FOR COASTAL ENGINEERING AND MANAGEMENT**

## **DEPARTMENT OF CIVIL ENGINEERING MARIAN ENGINEERING COLLEGE**

### **OBJECTIVES**

- Conduct advanced research in coastal dynamics, erosion control, and shoreline protection.
- Develop innovative engineering solutions for coastal resilience and disaster risk reduction.
- Provide education and training programs for professionals and students in coastal engineering.
- Collaborate with government agencies, industries, and international organizations to enhance coastal management practices.
- Promote sustainable development of coastal areas through policy support and community engagement.

## **FACULTY INVOLVED**

**Dr. Rani V. (HOD CE)**

**Dr. Reshmy D. S.**

**Prof. Tara Leander**

**Prof. Aswathy Sasikumar**

**Prof. Kannan K.**

**Prof. Revathy V. S.**

## **Advisory Board Members**

1. Very Rev. Msgr. Eugene H. Pereira, Vicar General, Archdiocese of Trivandrum
2. Rev. Dr A. R. John, Manager, Marian Engineering College
3. Dr Sheikh Pareeth, Managing Director, KSCADC
4. Dr M. Baba, Former Director, NCESS
5. Dr L. Sheela Nair, Scientist G, NCESS
6. Dr. K. Balan, Retired Professor, CET
7. Prof. Jyothis Thomas, Retired Professor, CET
8. Dr Wilbert R., Retired Professor, Barton Hill Engineering College
9. Dr. Jayakumar, Former MD & CEO, Vizhinjam International Seaport Ltd.
10. Dr. Satheesh Gopi, Retd. Hydrographer, Department of Ports (Kerala).
11. Dr. Abdul Nizar M, Principal, Marian Engineering College
12. Dr. Samson A, Dean, Marian Engineering College
13. Dr. Rani V., HOD CE, Marian Engineering College
14. Dr. Reshmy D S, Associate Professor, Marian Engineering College
15. Prof. Tara Leander, Assistant Professor, Marian Engineering College
