Kerala Catholic Engineering College Managements' Association

PREFACE

The Kerala Catholic Engineering College Managements' Association (KCECMA) represents 14 Engineering Colleges in Kerala.

From 2007 onwards the Colleges were making admissions, purely on the basis of merit. Merit was being determined by combining the marks obtained by the candidates in the CET conducted by the Commissioner for Entrance Exams, and also the marks obtained by them for the relevant subjects in their qualifying exams.

All students were to pay a uniform fees and for BPL candidates, scholarships were being provided.

The state Government had signed a seat sharing agreement with these Colleges, whereby 50% of the seats would be permitted to be set apart to the CEE for allotment.

All the students would pay the same fee. The Colleges would set apart a sum of Rs.3 lakhs per batch of 60, to be provided as scholarships to the BPL and other poor candidates.

If any seats remain vacant after the last date for the Commissioner to make allotments, those seats would be reverted back to "open merit" category and would be filled by the Colleges.

All the colleges are affiliated to the APJ Abdul Kalam Technological University (KTU), Thiruvananthapuram.

We hope to commence classes, as AICTE Directions.

We solicit the co-operation of all concerned.

Our Mission

We transform the youth into finest technocrats to lead the world to greater all round prosperity upholding highest standards in personal, social, ethical, moral and family values with a sensitivity to the environment and the world around. Our commitment to the society shall be total without fear, favour or prejudice. We firmly believe that the ultimate judge shall be the Almighty.

THE KERALA CATHOLIC ENGINEERING COLLEGE MANAGEMENTS' ASSOCIATION

The Kerala Catholic Engineering College Managements' Association (KCECMA) is a fraternity registered under Travancore, Cochin, Literary, Scientific & Charitable Societies, Registration Act, 1955 No. ER 1977.

KCECMA has been formed with a mission to promote engineering and technical education in Kerala matching international standards coupled with a strong base on moral, social, ethical and civic values. Our moorings are based on the Christian doctrines of love, peace and universal brotherhood.

The Association functions as a voluntary self-regulatory agency ensuring quality technical education without compromising on social justice. Our member institutions value transparency in every aspect - student selection, teacher and other staff selection, etc. We stand for equal opportunity for all without discrimination of any kind whatsoever.

The Association endeavours to make Kerala a global destination for technical education. The strategies and programmes include continuous quality assurance, improvement and monitoring programmes, skill development of students - technical, personal and social - and faculty training and development programmes.
