

MARIAN ENGINEERING COLLEGE, TRIVANDRUM

DEPARTMENT OF CIVIL ENGINEERING

PROGRAM EXIT SURVEY

Dear student,

It's our pleasure to note that you are completing your graduation in a few days. We are soliciting your overall opinion, for further improvement of the academic process and other facilities of this institution. We are interested in learning about your experiences in the B.Tech program. Kindly give your valuable response on the following aspects.

Head of the Department

Name: Uty Reg.No:

e-mail: Contact No: Year of completion:

PART A(PO's & PSO'S)

#	Parameter for evaluation	Put (v)mark on you choice			
		Excellent	Good	Satisfactory	Poor
PO1	Apply the knowledge of basic mathematics, science and engineering to solve Civil engineering problems(Engineering Knowledge)				
PO2	Apply discipline-specific knowledge to solve Civil engineering problems(Problem analysis)				
PO3	Develop solutions for design problems in discipline specific fields(Design /development of solutions)				
PO4	Conduct standard tests and measurements , analyze and interpret experiments(Conduct investigations of complex problems)				
PO5	Apply the knowledge, techniques, skills and modern tools of Civil engineering to engineering technology activities(Modern tool usage)				
PO6	Demonstrate knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to Civil engineering practices.(The Engineer and the society)				
PO7	Understand the impact of the Engineering solutions in societal and environmental contexts and usage of the knowledge and need for sustainable development.(Environmental and sustainability)				
PO8	Apply ethical principles, commitment to professional ethics, responsibilities and norms of engineering practices(Ethics)				
PO9	Work effectively as an individual and as a member or leader in multidisciplinary teams(Individual and team work)				
PO10	Apply written, Oral and graphical communication in both technical & non-technical environments(Communication)				

MARIAN ENGINEERING COLLEGE, TRIVANDRUM

DEPARTMENT OF CIVIL ENGINEERING

PO11	Apply management principles to develop the organisation and manage financial aspects (project management and finance)				
PO12	Recognise the need for and have the preparation to engage in independent and life long learning in the context of technological changes (Life long learning)				
PSO1	Able to apply civil engineering knowledge to global engineering practices (Global competence)				
PSO2	Able to enhance research in the current field of specialization (Research and development)				
PSO3	Able to solve environmental and social issues related to civil engineering (Disaster mitigation)				

PART B(FACILITIES & SUPPORT SYSTEMS)

		Put (v)mark on your choice			
		Excellent	Good	Satisfactory	Poor
1	Quality of education				
2	Library facilities				
3	Computing facilities				
4	Canteen facilities				
5	Hostel facilities				
6	Medical facilities				
7	Women's Grievance Cell				
8	Anti - Ragging Cell				
9	Anti - Drugs Cell				
10	Internet facilities				
11	Transportation facilities				
12	Co - Curricular activities				
13	Extra Curricular activities				
14	Career Guidance and placement activities				
15	IEDC activities				
16	Administrative procedures				
17	Overall Ambience of the College				
18	Overall Rating of Teaching Staff				
19	Overall Rating of Non Teaching Staff				
20	Overall Rating of Administrative Staffs				
21	Overall Educational Experience at MEC
