

Report on ONE MINUTE TALK – Day 1

Event Name: ONE MINUTE TALK – Day 1

Organized by: IEEE Student Branch MCE – CSE Department

Date: 7 August 2026

Time: 12:30 PM – 1:00 PM

Venue: CSE Seminar Hall

Introduction

The IEEE Student Branch MCE – CSE Department conducted **One Minute Talk – Day 1** as a speaking challenge designed to improve students' **quick thinking, confidence, communication skills, and critical thinking ability**. The event was conducted in an interactive format where participants had to speak on a **completely random topic** without any prior preparation.

Event Proceedings

The session began at **12:30 PM** in the **CSE Seminar Hall**. A total of **6 participants** took part in the first session. Each participant received a **random topic card** from the judge and was given **one minute to think** and **one minute to speak**.

Some of the topics included:

- *Failure is the best teacher – Why?*
- *Mobile phone – Good or a curse?* •
Is listening a skill?

The participants spoke one by one before the audience, sharing their thoughts and opinions within the given time. The performances were evaluated based on **confidence, communication clarity, fluency, and critical thinking**.

Leaderboard Update

After the completion of the speeches, the scores were added to the **One Minute Talk Leaderboard**.

Day 1 Rankings:

1. **Anisha Allen** – Electronics and Computer Engineering
2. **Harinandana K** – Computer Science
3. **Vivek Krishna S S** – Electrical and Electronics Engineering
4. **Niranjana Jayakumar** – Computer Science and Engineering

5. **Shikha Sankar** – Computer Science Engineering
6. **Nidhil Krishna** – Artificial Intelligence and Machine Learning

The leaderboard will continue to be **updated after each session**, and students from different batches can participate in future editions. The event is planned to be conducted on the **first Friday of every month**.

Conclusion

One Minute Talk – Day 1 was conducted successfully with active participation from students across different departments. The event provided a good platform for students to **think quickly, speak confidently, and express their ideas clearly under time pressure**. It was an engaging and useful initiative for developing **public speaking, communication, and self-confidence** among students.

Event Poster:

The poster is for the IEEE ONE MINUTE TALK COMPETITION. It features the IEEE SB Marian Engineering College logo at the top left, the IEEE logo at the top right, and a central image of a vintage microphone on a stand with a clock face in the background showing 60 seconds. The text 'IEEE ONE MINUTE TALK COMPETITION' is prominently displayed. Below it, the tagline 'Express, Inspire & Grow' is followed by a red box containing icons for 'EXPRESS YOUR IDEAS', 'BUILD CONFIDENCE', 'INSPIRE OTHERS', and 'GET EXPERT FEEDBACK'. The slogan 'BE BOLD. BE HEARD. BE YOU' is written below. A calendar icon indicates 'EVERY MONTH' with 'New topics', 'New perspectives', and 'Launching August 7'. A QR code is provided for registration. The location 'CS SEMINAR HALL' and 'REGISTRATION FEE: ₹1' are listed. The bottom right corner says 'Speak for 60 seconds Make an impact'. The footer contains the URL 'https://omt-platform.vercel.app/'.
