

MARIAN ENGINEERING COLLEGE

STUDENTS WELFARE COMMITTEE

“BEYOND BOOKS”

Overview

Students Welfare Committee of Marian Engineering College was constituted in **Oct 2018** for the general and specific well-being of students. Student Welfare Committee endeavours to help a student’s educational process to advance their academic as well as personal abilities. The committee works for the overall welfare of the student in terms of student development which consist of student development program ,student publication, counselling of the students, co curricular activities and many more. The committee organises various events and workshops to enhance the skill set of students like Talk Show, Workshops, Debate Competition, Quiz Competition, Painting competition and Photography competitions.

OBJECTIVES

- Listening to student’s problems and understanding what is required for their development in any manner.
- Assisting the students in their learning process which includes not just academics but also the practical learning experience.
- Conducting periodic meetings to talk over student welfare. Various co curriculum activities, facilitating student interests are organized for personality development of students.
- Building a true entrepreneur in students and making them fit enough to co ordinate events in both college and inter-college levels.
