EVENT NAME—AWARENESS TALK ON ‘EMPOWERING WOMEN AND PROTECTING THEM FROM HARASSEMENT’

DATE: 04.10.2019

No of Participants: 52

A motivational talk was arranged for girl students selected from all classes on the topic ‘Empowering Women and Protecting them from harassment’ at the college on 04th October 2019. The session was handled by Dr.Parvathy Menon. Assistant Professor, Department of History, All.Saints College, Thiruvananthapuram.

She highlighted the need for strengthening ones spiritual and intellectual empowerment rather than gender empowerment by quoting the stories of brave ladies from Indian history. We should strengthen ourselves through ones deeds rather than seeking protective measures from administrative authorities. It is time that both men and women focus on behavior change and change of mind sets to stamp out all gender stereotypes because clearly, the power balance seems to have an effect on these cases and that both men and women are to be educated and should realize that none is above the other to prevent such harassment anywhere.

Staff members and 52 student participants along with Women Welfare committee members attended the session.
