

TECH FRIDAY

As part of Tech friday, IEEE WIE SB MCE conducted several events on every fridays.

The different events conducted were:-

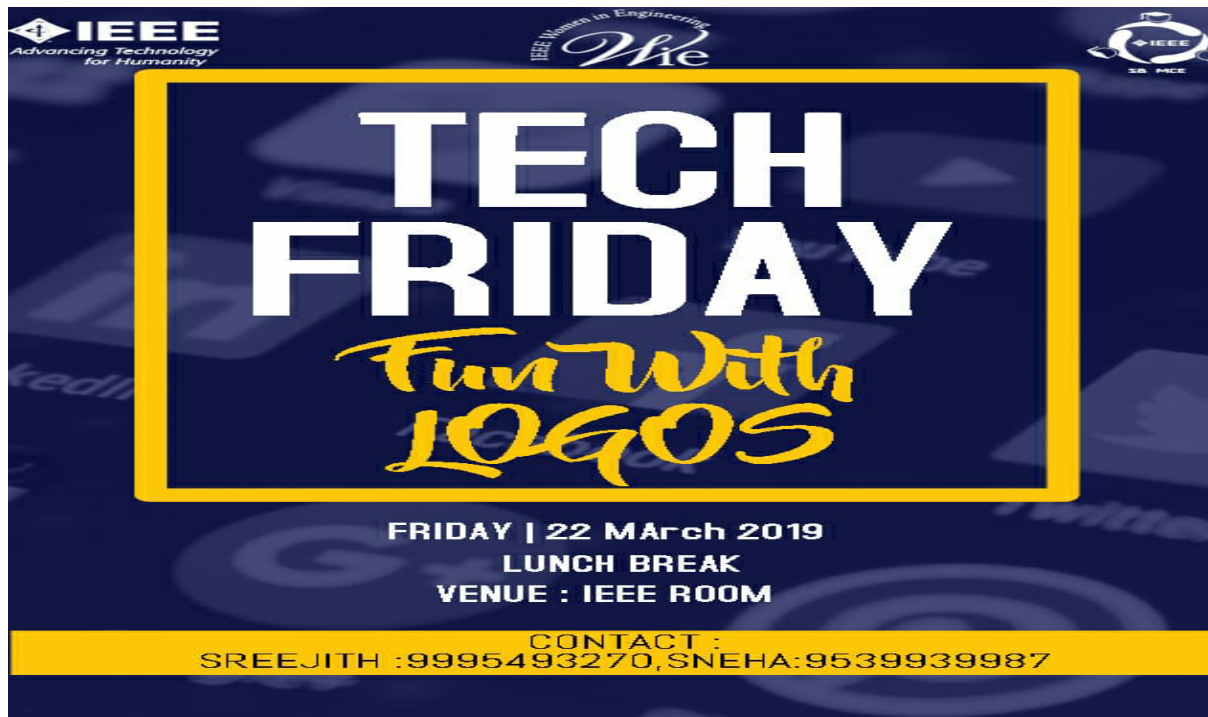

1. FUN WITH LOGOS (22nd March)
2. OUT OF THE BOX (5th April)
3. GUESS ME (3rd May)
4. REWIND (10th May)

1. FUN WITH LOGOS

Date: 22nd March 2019

Time: 12:45pm - 1:30pm

Venue: IEEE room, Marian engineering college

The first event was "Fun with logos" . A total of 10 participants were involved in this event.The event was mainly based on giving the participants some logos and making them guess whats that logo is about.

2.OUT OF THE BOX

Date: 5th April 2019

Time: 12:30pm - 1:30pm

Venue: IEEE room, Marian engineering college

As part of Tech Friday the event conducted on 5th April was "Out of the box". A total of 10 students participated in this event. The event was based on giving real life problems to the students and the participants have to find out an effective solution to the problem given. The best solution given by the student will be awarded.

3. GUESS ME

Date: 3rd May 2019

Time: 12:30pm - 1:30pm

Venue: IEEE room, Marian engineering college

Event for this week was "Guess me" . A total of 15 participants were involved in this event. The event was mainly based on giving clues to the students and their job is to identify what it is about. Student who answers most of the questions correctly will be awarded.

4. REWIND

Date: 10th May 2019

Time: 12:30pm - 1:30pm

Venue: IEEE room, Marian engineering college

" Rewind" was the collaboration of all the best events conducted by IEEE WIE SB MCE as part of Tech Friday. There was a bunch of event based competitions conducted during that day.

The different event includes:-

- 1. Flag hunt**
- 2. Game hour**
- 3. Out of the box**

Flag hunt attracted most of the participants in which the participants have to find different flags located at different places around the campus. Game hour and out of the box was also greatly appreciated by the participants.

It was the last Tech friday event of this semester.
