Report On HumorHub Meme Competition

Event Name: HumorHub 2026 – WIE Online Meme Competition

Date: 11–14 August 2026

Organized By: Women in Engineering (WIE), IEEE Student Branch Marian Engineering College

Mode: Online

Theme: *Expectations vs Reality of Engineering Life*

Overview

WIE, IEEE Student Branch Marian Engineering College organized **HumorHub 2026**, an online meme competition aimed at encouraging creativity, humour, and self-expression among students. The event provided participants with an engaging platform to portray the fun, unexpected, and relatable aspects of engineering life through memes.

With the theme “*Expectations vs Reality of Engineering Life*,” participants were encouraged to creatively highlight the contrast between their expectations and actual experiences as engineering students. The competition aimed to promote student engagement while providing a light-hearted platform for creative expression.

The competition witnessed participation from **9** students. The entries were evaluated based on creativity, relevance to the theme, humour, relatability, originality of the concept, and overall presentation.

Event Details

The competition was conducted entirely online from **11th to 14th August 2026**. Participation was open to individuals, allowing students to independently create and submit their meme entries.

Participants were permitted to use **AI tools for brainstorming, caption generation, editing, and meme image generation**. However, the meme concept and content were required to be created by the participant.

Entries could be submitted in **English, Malayalam, Hindi or a combination of the three**, providing participants with flexibility in expressing their ideas.

Submission Guidelines

Participants were required to:

- Submit their entries individually through the designated submission link.
- Follow the given theme.
- Submit their memes in **JPEG, JPG, or PNG format**.
- Use AI tools responsibly as permitted by the competition guidelines.
- Submit their entries before the deadline of **14th August 2026**.

Evaluation

The submitted entries were evaluated based on:

- Creativity and originality of concept
- Relevance to the theme
- Humour and relatability
- Quality of presentation
- Overall impact of the meme

Winners

First Prize - Arya D.H

Second Prize - Safeel S

Conclusion

HumorHub 2026 successfully provided students with a fun and creative platform to express their experiences and perspectives on engineering life. Through humour and relatable content, participants transformed everyday engineering experiences into entertaining and engaging memes.

The event encouraged creativity, self-expression, and active student participation, making **HumorHub 2026** an enjoyable and memorable event organized by WIE, IEEE Student Branch Marian Engineering College.
