INSTITUTE VISION

To be an institution offering quality technical education and promoting research with strong ethical values for public good.

INSTITUTE MISSION

To mould the young men and women into technologically up to date, socially conscious and morally sound individuals by providing an inspiring environment of learning for the welfare of the society.

DEPARTMENT VISION

To be a globally recognized Centre for civil engineering studies to mould competent, research oriented and socially responsible professionals.

DEPARTMENT MISSION

To provide quality technical education in civil engineering for a successful career.

To equip the students with advanced skills and knowledge to take up challenges in all areas of civil engineering.

To create professionals with strong ethical values to provide service for the public and society.

MESSAGE FROM HODs DESK:

It is with great joy that the 2019-2020 edition of the department newsletter is being presented. Last 6 months have been a period of great trials for everyone. But in every difficulty there are opportunities. For the department, last year was very eventful for students and faculty. The students have participated in cultural and technical events outside and won prizes. Many events have been organised in the college for career guidance, workshop for mix design, expert talks, several MOUs were signed with industry and IEI, Civil Engineering Association, and ASCE Foundation year activities were inaugurated.

The year has also seen a beginning made by the teachers in presenting their research through "RESEARCH TALKS" organised by the Civil Engineering Association. Several events were organised in the department namely technical events as a part of QURIO'19, planting of trees by Bhoomitrasena club, and industrial visits to Vizhinjam harbour, Nellai Concrete, Product & Construction Company (P) Ltd. (Sleeper Manufacturing Unit), Neyyar Dam, SPT and piling work, and Soil museum. As part of social outreach, staff members visited many schools and also organised a quiz programme for school children. The faculty successfully completed the teaching of the even semester through the online mode. Three webinars were organised towards the year end.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

PEO 1: Graduates will be able to establish engineering abilities, design capabilities and life-long learning for a successful civil engineering career.

PEO 2: Graduates will be able to establish the knowledge and skills necessary for identifying and assessing design alternative to deal effectively with the social, economic, environmental and public safety problems.

PEO 3: Graduates will be able to obtain professional licensure and develop entrepreneurship skills to work in multi-disciplinary environment.

PROGRAM SPECIFIC OUTCOMES (PSOs)

Global Competence- Apply technical and managerial skills necessary to enter career in planning, design, construction, operation or maintenance of the global infrastructure.

Research and development- Update about the latest research and development in construction technology advances in construction materials and analysis or design procedures.

Disaster Management- Acquires theoretical background about post disaster conditions such as rescue operations, damage assessment and retrofitting of structures.

NEW FACULTY MEMBERS

- ✓ Dr. P L Vijayakumari
- ✓ Dr. Archana J Satheesh
- ✓ Ms. Ambika devi V M
- ✓ Ms. Mohini M B
- ✓ Ms. Anila Angel P R
- ✓ Ms. Arsha G Fernandez
- ✓ Mr. K C Amal Vishnu
- ✓ Ms. Rageena S S
- ✓ Mr. David Clement

FACULTY DEVELOPMENT PROGRAMMES ATTENDED

1. Prof. Dr.S.Narayanan, (HOD,CE) participated in :

- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,11th May and 7th July 2020.
- Webinar on “Concrete Cathodic Protection 1.0 PDH” by Vector Corrosion Technologies on 11th May 2020.
- Webinar on “Higher studies Abroad for Civil Engineering Students” by KPR Institute Of Engineering And Technology on 21st May 2020.
- Webinar on “Use of Admixtures for Sustainable Concrete” on 28th May 2020 and “Misconceptions and facts about ready mix concrete” on 25th July 2020 by Indian Concrete Institute Bangalore.
- Webinar on “Sustainable Concrete - the road ahead”, “Achievement of Quality of Cement and Concrete to meet Consumer expectations”, “Basics of Chemical Admixtures”, “Hot and Cold Weather Concreting”, “Use of micro materials in Concrete”, “Understanding Metakaolin”, “Effective use of concrete for RCC structures” by Qcrete Ready-mix (India) Pvt Ltd on 9th,13th,20th June and 11th July 2020 respectively.

2. Ms. Joisy M B (Professor, CE) participated in:

- Four days online course on “Examination Reforms” organized by AICTE on 29th April to 2nd May 2020.
- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020.

3. Dr. Vijayakumari P.L. (Professor, CE) participated in :

- Two days FDP on “Sustainable Advancements in Concrete and Geotechnology” at NSS College of Engineering, Palghat on 5th- 6th December 2019.
- Five days FDP on “Coastal Protective Measures and its Importance in Kerala” at Jawaharlal College of Engineering and Technology , Ottappalam on 6th – 10th January 2020.

4. Ms. Reshmy D.S. (Associate Professor, CE) participated in :

- One day FDP on “Sustainable Concrete Pavements: Practices, Challenges and Directions at ICI”, Lulu Mariot, Kochi on 23rd November 2019.
- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21th May and 7th July 2020.
- Webinar on “Scientific Publishing” organized by Mar Baselios College of Engineering And Technology on 10th July 2020.
- Online Short term training programme on “Research Methodology” by Amal Jyothi College of Engineering, Palai on 28th – 30th May 2020.

6. Ms. Rani V. (Associate Professor, CE) participated in :

- One day training on” Mannarivu “at State soil museum, Trivandrum on 20th November 2019.
- Three day programme on “Bio-Engineering and solid waste management”-KTU Sponsored at Mohandas College of Engineering and Technology on 11th-13th December 2019.
- Handled two session as speaker organised by Malabar institute of technology on the topic “Geotechnical investigation for infrastructure projects” and “ASAP -AICTE online class” for btech students of all colleges under AICTE on 20th -21st June 2020.
- Webinar on “Applications of Geosynthetics in infrastructure developments”, “Recent advances of track components in railways”, “COVID -19 Public awareness by Dr Anoopkumar A.S” and “Research & Journal paper presentation” organized by MIT, Kannur on 6th,2nd,10th and 3rd May 2020 respectively .
- Webinar on” Case studies in geotechnical engineering” organised by Lal Bahadur Shastri Institute of Technology for Women (LBSITW), Thiruvananthapuram on 24th June 2020.
- Webinar on “A Journey of civil engineer as entrepreneur” and “Road to zero” by KPR Institute,Coimbatore on 6th May 2020 and 7th May 2020.

7. Ms. Greeshma T. (Assistant Professor, CE) participated in :

- One day training on “Mannarivu” at State soil museum, Trivandrum on 19th November 2019.
- Online Short term training programme on “Research Methodology” by Amal Jyothi College of Engineering, Palai on 28th – 30th May 2020.
- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21th May and 7th July 2020.
- Three days online workshop on “Effective Teaching And Learning Tools” organized by Mar Baselios College of Engineering And Technology on 29th to 31st July 2020..
- Webinar on “Data driven road safety management” by KSCSTE-NATPAC on 28th May 2020.
- Webinar on “Concrete Cathodic Protection 1.0 PDH” by Vector Corrosion Technologies on 11th May 2020.
- Webinar on “Applications of Geosynthetics in infrastructure developments”, “Recent advances of track components in railways”, “COVID -19 Public awareness by Dr Anoopkumar A.S” and “Research & Journal paper presentation” organized by MIT, Kannur on 6th,2nd,10th and 3rd May 2020 respectively

8. Ms. Renju C.M. (Assistant Professor, CE) participated in :

- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21th May and 7th July 2020.
- Webinar on “Use of Micro Materials in Concrete”, “Effective use of concrete for RCC structures” and “Understanding Metakaolin” by Qcrete Ready mix (India) Pvt Ltd on 3rd,11th and 20th July 2020 respectively.

- Webinar on “ and “ by Industrial Technology Research Institute (ITRI) on 13.07.2020.
- Webinar on “Biological Waste water Treatment” and “Advanced Oxidation Process” by Industrial Technology Research Institute (ITRI) on 29th June and 13th July 2020 respectively.

9. Ms. Tara Leander (Assistant Professor, CE) participated in :

- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21th May and 7th July 2020.
- Online Short term training programme on “Research Methodology” by Amal Jyothi College of Engineering, Palai on 28th – 30th May 2020.
- National workshop on “Recent Advances in Geotechnics for Infrastructure” by IGS Bangalore on 16th May 2020.
- International Webinar on “Ground Improvement Techniques for Highway Construction” by CSIR-CRRI on 29th – 30th May 2020.
- Webinar on “Scientific Publishing” organized by Mar Baselios College of Engineering And Technology on 10th July 2020.
- 1st Indo-Japan Webinar Series on “Geotechnics for Disaster Mitigation” by National Institute of Technology Karnataka on 8th-13th June 2020.

10. Ms. Asha Davood Z. (Assistant Professor, CE) participated in :

- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020
- One day training on “Mannarivu” at State soil museum, Trivandrum on 19th November 2019.
- Attended “Introduction to Documentation using LATEX” by College of Engineering, Pathanapuram on 6th January 2020.
- Webinar on “Data driven road safety management” by KSCSTE-NATPAC on 28th May 2020.
- Attended “An Insight into the Design of Metro Tunnels” by MEA Engineering College on 16th May 2020.
- Online Short term training programme on “Research Methodology” by Amal Jyothi College of Engineering, Palai on 28th – 30th May 2020.
- Webinar on “Sustainability in Pavement Engineering” by Adi Shankara College of Engineering and Technology, Ernakulam on 27th May 2020.
- Webinar on “Road to zero” by KPR Institute, Coimbatore on 7th May 2020.
- Webinar on “Applications of Geosynthetics in infrastructure developments”, “Recent advances of track components in railways”, “COVID -19 Public awareness by Dr Anoopkumar A.S” and “Research & Journal paper presentation” organized by MIT, Kannur on 6th, 2nd, 10th and 3rd May 2020 respectively
- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21th May and 7th July 2020.
- Webinar on “Geospatial Technology-Concepts, applications in Civil engineering and Career options” by College of Engineering, Pathanapuram on 12th June 2020.

11. Ms. Sanobiya B.S. (Assistant Professor, CE) participated in :

- Webinar on “Employability Skills for Engineering Students” by Er. Leo Bright Singh, by Malabar Institute of Technology, Anjarakandy on 4th May 2020.
- Technical webinar series by Department of Civil Engineering, Mar Baselios Christian college of Engineering & Technology, Peermade on 25th-30th May 2020.
- Webinar on “Use of micromaterials in Concrete”, “Effective use of concrete for RCC structures”, “Understanding Metakaolin” and “Misconceptions and facts about ready mix concrete” by Qcrete Readymix (India) Pvt Ltd on 04th, 11th, 20th and 25th July 2020 respectively.
- Webinar on “Geotechnical Engineering For Infrastructure” by Thejus Engineering College, Thrissur on 30th July 2020.

12. Ms. Deepthi Dennison (Assistant Professor, CE) participated in :

- Attended 19 days FDP in ‘Teaching in Higher Education’ by Indian Institute of Information Technology, Design and Manufacturing (IIITDM), Chennai on 25th Nov to 13th Dec 2019.

13. Ms. Soorya S.R. (Assistant Professor, CE) participated in :

- Webinar on “Scientific Publishing” organized by Mar Baselios College of Engineering And Technology on 10th July 2020.
- Webinar on “Relevance and Avenues in Civil Engineering” by Amal Jyothi College of Engineering, Kanirampally on 10th July 2020.
- Webinar on “Geotechnical Engineering: Theory and Practice” by Kumaraguru College of Technology Coimbatore and IGS Coimbatore Chapter on 13th – 20th July 2020.

14. Mr. Kannan K. (Assistant Professor, CE) participated in :

- Webinar on “Earth Retaining Structures in Bridge and Highway Projects” by Indian Association of Structural Engineers on 28th June 2020.
- Webinar on “Scientific Publishing” organized by Mar Baselios College of Engineering And Technology on 10th July 2020.
- Webinar on “Relevance and Avenues in Civil Engineering” by Amal Jyothi College of Engineering, Kanirampally on 10th July 2020.
- Webinar on “Geotechnical Engineering: Theory and Practice” by Kumaraguru College of Technology Coimbatore and IGS Coimbatore Chapter on 13th – 20th July 2020.

15. Ms. Ann Mary Mathew (Assistant Professor, CE) participated in :

- Attended five days FDP on CE & QIP on “Fundamentals of construction materials, technology and management” by IIT Bombay on 6th-10th January 2020.
- Online Short term training programme on “Research Methodology” by Amal Jyothi College of Engineering, Palai on 28th – 30th May 2020.
- Webinar on “Accreditation and Quality of Engineering Education from ABET Perspective” by IEEE Kerala Section in association with APJ Abdul Kalam Technological University on 7th May ,21st May and 7th July 2020.
- One day training on “Mannarivu” at State soil museum, Trivandrum on 19th November 2019.

16. Ms. Arsha Gregory Fernandez (Assistant Professor, CE) participated in :

- Attended five days FDP on CE & QIP on “Fundamentals of construction materials, technology and management” by IIT Bombay on 6th-10th January 2020.
- Webinar on “Scientific Publishing” organized by Mar Baselios College of Engineering And Technology on 10th July 2020.
- Webinar on “Construction Technology in data driven era-the next frontier” by Francis Xavier Engineering College on 8th July 2020.
- Webinar on “Pile foundations - An overview of load tests” by Mar Baselios College of Engineering and Technology on 28th July 2020.
- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020.

17. Ms. Ambikadevi V.M. (Assistant Professor, CE) participated in :

- Webinar on “Biological Wastewater Treatment” by Circen Technologies, Chennai on 22nd June 2020.
- Webinar on “Vasthu Sashttra”, “Civil and Architectural Design in Virtual Reality”, “Building Cracks and Causes” and “3D modelling using Revit Structure” by KPR Institute of Engineering and Technology Coimbatore on 13th,14th,16th and 17th July 2020 respectively.

18. Ms. Mohini M.B. (Assistant Professor, CE) participated in :

- One day training on “Mannarivu” at State soil museum, Trivandrum on 19th November 2019.
- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020

19. Ms. Aswathi Sasikumar (Assistant Professor, CE) participated in :

- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020.
- Webinar on “Ground improvement techniques” by Nader Saraswathi College of Engineering and Technology, Theni on 15th July 2020.

20. Ms. Twinkle Vinu Mohandas (Assistant Professor, CE) participated in :

- Three days online workshops on “Effective Online Teaching Tools” organized by Teaching and Learning Centre and Department of Civil Engineering Mar Baselios College of Engineering and Technology, Trivandrum on 29th to 31st July 2020.
- Webinar on “Ground improvement techniques” by Nader Saraswathi College of Engineering and Technology, Theni on 15th July 2020.

EXPERT TALKS CONDUCTED

- An expert talks on “Building Materials” by Er. Anwar Hussain, Rtd. Deputy Chief Engineer, LSGD in association with Civil Engineering Association inauguration.
- “Research talks” were organized for M. Tech students from 5th to 28th November 2019, with faculties as resource persons.
- A technical talk on “Air traffic control cabin Construction” by Mr. Unni Bhaskar (Managing director, UNO Technologies) on 7th November 2019.
- An expert session on “Coastal Protection structures, Waves and Ocean Currents” by
- Dr. Ajith G Nair, Professor, RIT Kottayam on 7th November 2019 at IEDC Seminar hall.
- A technical talk on “Planning Design and Construction management of Signature Bridge, Delhi” by Er. Jose Kurian (Senior Advisor, KIIFB) on 27th January 2020.
- An expert session on “Professional Excellence” by Er. Sreekanth APV, Executive Director, Arcadis Asia on 28th January 2020.
- A technical talk on “Basics of Making Quality Concrete and Introduction to Green Concrete Concept” by Mr. Shyam Kumar Syama Prasad (CEO & Director, CETARC Pvt. Ltd.) on 4th Feb 2020.
- A Mix Design Workshop for fourth semester students by Mr. Shelly Fernandez, Managing Director, Qcrete Ready-mix (India) Pvt Ltd conducted on 26th February 2020.
- An expert talk on “Career Opportunities” by Er. Shaji Jacob, Institute of Engineers, Kochi Centre was organized on 27th February 2020.

STUDENTS ACHIEVEMENTS

Technical Achievements:

- A funding of Rs.10,000/- was procured from Malayala Manorama and Amal Jyothi College of Engineering by Sreehari G.M, Milan Dileepkumar, Rahul Ajith and Sanjay J Kumar of VI semester for their student project ‘An Idea of Pocket sized Total Station’ on 21st October 2019.
- The project titled ‘An Idea of Pocket Sized Total Station’ developed by Sreehari G.M, Milan Dileepkumar, Rahul Ajith and Sanjay J Kumar of VI semester was selected to ‘Malayala Manorama Yuva Mastermind Expo 2020’ held at Rajiv Gandhi Indoor Stadium on 17th - 18th January 2020.

- Maria Mita Joseph, Abhirami S Krishna and Sreelekshmi R of II semester secured 98% in DCSMAT Quizzing Festival-Quiz I organized by the MBA Department, DC School of Mangement and Technology, Trivandrum on 1st June 2020.
- Kessia Justin Dcruz and Swathy Sunilkumar of II semester secured 95% in Technical quiz on Concrete Technology organized by St. Joseph Institute of Technology, Chennai on 12th June 2020.
- Swathi J (2017-19ⁱ Batch) secured Best M.Tech Thesis IGS-AISAT AWARD-2019 in Geotechnical Engineering in Kerala State held on 10th July 2019 at AISAT, jointly organized by Indian Geotechnical Society, Kochi Chapter and Albertian Institute of Science and Technology.

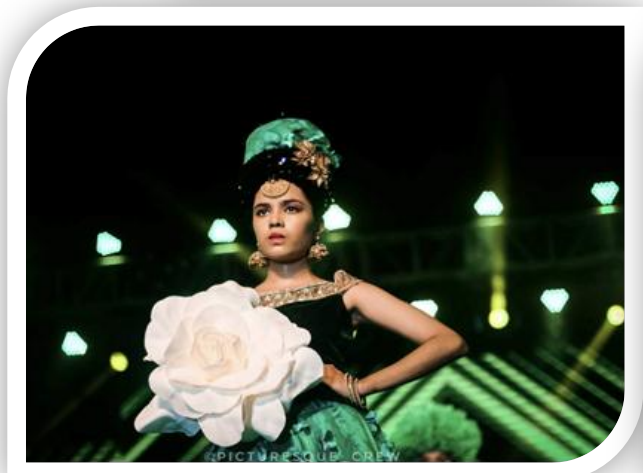

- Jishnu P.S. and Aarya K. R. of III semester M.Tech Geotechnical Engineering shared first prize in Civil Engineering Quiz conducted by LBSITW on 26th October 2019.

- Diya B. of IV Semester M.Tech Geotechnical Engineering became runner up in Online National Conference on Recent Trends in Engineering and Technology conducted by Malabar Institute of Technology on 20th and 21st June 2020, for her paper on “Stabilization of Soil Using Terassil Nano Chemicals”.

CULTURAL/SPORTS.

- Kirtana S Nair and Anu Alex of VI semester secured II prize in Fashion show organised by Musaliar College of Engineering on 6th March 2019.
- Gopika A.M of VII semester secured gold in junior section and bronze for senior section in District Classic Power Lifting Championship held on 18th August 2019, bronze in junior section in State Classic Power Lifting Championship held on 15th September 2019.
- Gopika A.M of VII semester secured II place in Shotput in the College Girls category of Reliance Foundation School Athletics 2019-20 held on 10th October 2019.
- Harunson Newton J of V semester secured I prize in Art Marathon in ‘tathva’19’ organized by NIT Calicut on 18th -20th October 2019.
- Gopika A.M of VII semester secured gold for Inter College Power Lifting Championship and got selection in All India Inter University Power lifting on 28th December 2019.
- Rohan Reghuraj of II semester became second runner up in the Inter College 7-A-Side Football Tournament organized by Providence College of Engineering, Chengannur on 27 -31 January 2020.
- Gopika A.M of VIII semester secured II place in Women Discuss Throw in the KTU Intercollegiate Athletics Championship held on 7th February 2020.
- Jayakrishna Jayapal of VI semester won the title ‘Mr. Hestia 2020’ in persona competition organized by TKM College of Engineering on 5th - 8th March 2020.

Industrial Visits:

1. An industrial visit for M. Tech students to Vizhinjam Harbour and Kerala Soil Museum on 2nd September 2019 organized by IGS.

Industrial visit to Kerala Soil Museum

M.Tech students and faculty with officials at Vizhinjam Harbour

2. An industrial visit to Govt. UPS, Ambalathara helped the M.Tech Geotechnical Engineering students to gain a field exposure to SPT and Piling Work guided by Dr. Jaya V, HOD, and GEC Bartonhill. organized by IGS Student Chapter on 25th October 2019.

3. The student members of Bhoomitra Sena Club visited an exhibition organised by Haritha Kerala Mission in association with Suchithwa Mission on 21st January 2020.

Visit to Exhibition organised by Haritha Kerala Mission

4. The Civil Department arranged an industrial visit for VI semester students to Neyyar Dam on 15th February 2020 as a part of their course Design of Hydraulic Structures.
5. An industrial visit for VI semester students to Nellai Concrete, Product & Construction Company (P) Ltd., Gangaikondan, Tamilnadu (Sleeper Manufacturing Unit) on 4th March 2020 as a part of their course on Design of Concrete Structures.

Industrial Visit to Nellai Concrete, Product & Construction Company (P) Ltd., Gangaikonda, Tamilnadu

Industrial visit to Neyyar Dam

ASSOCIATION ACTIVITIES:

1. The Civil Engineering Association was inaugurated on 5th September 2019 by Er. Anwar Hussain, Rtd. Deputy Chief Engineer, LSGD. The inaugural session was followed by an expert talk on “Building Materials”. Er. Anwar Hussain gave a very explicit class for the students from an industrial point of view.

2. The Department of Civil Engineering organized “Research talks” for the M. Tech students from 5th to 28th November 2019, with faculties as resource persons helped the students to refine their research topic.
3. As part of QURIO’19, Civil Engineering Association organized technical events ‘RECUEZA”, Miniature Model Town Building using Construction Waste Materials and “BRAIN CRANE”, Tower Crane Construction on 23rd November 2019.

Prize winners of "BRAIN CRANE", a technical event conducted as part of QURIO'19

4. MoU were signed with UNO Technology Private Limited and Qcrete Ready-mix (INDIA) Pvt on 9th January 2020.

5. MoU was signed with BIMLABS and EICL on 31st January 2020. The MoU aims to improve employability skills of faculty and students and provide an opportunity to the students to take up socially relevant projects.

Faculty and management of Marian Engineering College with delegates of BIMLABS and EICL

BHOOMITHRA SENA CLUB ACTIVITIES:

1. "ONE STUDENT ONE TREE" Bhoomithra Sena Club initiative to plant trees in college premises was inaugurated by Dr. S Narayanan (HOD, Department of Civil Engineering) on 30th August 2019.
2. The student members of Bhoomithra Sena Club visited an exhibition organised by Haritha Kerala Mission in association with Suchithwa Mission on 21st January 2020.

IGS STUDENTS CHAPTER ACTIVITIES:

1. IGSMA 2.0, a quiz event organized by IGS student chapter conducted prelims on 28th August 2019 and mains on 3rd October 2019 in the Civil Engineering Department.
2. Industrial visit organized by IGS Student Chapter of the department on 25th October 2019 to Govt. UPS, Ambalathara helped the M.Tech Geotechnical Engineering students to gain a field exposure to SPT and Piling Work. The students were guided by Dr. Jaya V, HOD, and GEC Bartonhill.
3. IGS organized an industrial visit for M. Tech students to Vizhinjam Harbour and Kerala Soil Museum on 2nd September 2019.

IEI STUDENT CHAPTER ACTIVITIES:

Mr. Gopalakrishnan Nair, Chairman, State Centre of IEI inaugurated the Civil Engineering student chapter of IEI [Institution of Engineers (India)] on 27th January 2020. The inaugural session was followed by a technical talk on "Planning Design and Construction management of Signature Bridge, Delhi" by Er. Jose Kurian (Senior Advisor, KIIIFB)

Planting a sapling for a Greener Earth

IGSMA 2.0, Technical quiz organized by IGS Student Chapter

M. Tech students at Govt. UPS, Ambalathara

Inaugural ceremony of IEI MEC CE student chapter
