

MARIAN
ENGINEERING COLLEGE
Minority Institution Run by Latin Archdiocese of Trivandrum

DEPARTMENT OF ELECTRICAL & ELECTRONICS

- POWERING THE FUTURE

TESTIMONIAL BY ALUMNI

“ I was part of the first batch of the Electrical and Electronics branch at Marian Engineering College. The course was carried out without any hiccups as there were quality faculties and infrastructure in place. The faculties and the curriculum were favourable for creating interest and curiosity in the minds of students. A culture of academic rigour ensured that there is a delivery of conceptual clarity over rote learning. The faculties of Marian must be credited for the same. All these combined with a serene environment inside the campus and encouragement for student initiatives within the campus, made sure that I moulded to become a better personality who can dare to dream and wish to achieve greater heights. ”

Er. R Gokul Ramanan
(MBA Graduate ,IIM Kashipur)
2013 - 2017 batch
Marian Engineering College
