

MARIAN ENGINEERING COLLEGE
Trivandrum

No: MEC / QR - 72 / PRL / 25-26/160

10.07.2025

CIRCULAR

As part of the Net Zero Carbon Campus initiative and the ongoing Green Protocol Campaign, all students are requested to bring at least one tree sapling on 15th July 2025 (Tuesday) to support our collective efforts toward a greener and more sustainable campus.

A Sapling Handover Ceremony will be held on the same day in front of the Administrative Block, where the saplings will be formally presented to the College Management.

The collection of saplings from different classes will be coordinated by the NSS Unit and Bhoomithrasena Club members. Students are encouraged to actively participate and contribute meaningfully to this initiative.

Faculty and staff are also encouraged to support this noble cause by donating tree saplings, thereby strengthening our shared commitment to environmental sustainability.
