Preface

Marian Engineering College established in the year 2001 is managed by the Trivandrum Social Service Society of the Latin Archdiocese of Trivandrum and the patron is His Grace Most Rev. Dr Thomas J Netto.

Marian Engineering College Kazhakuttom, Trivandrum is a member of Kerala Catholic Engineering College Management Association representing fourteen Engineering Colleges in Kerala

The College offers 5 B.Tech programmes and one M.Tech program. All the programmes are approved by the All India Council of Technical Education, Government of India, New Delhi, and Government of Kerala and are affiliated to APJ Abdul Kalam Technological University.Four UG programs are accredited by NBA.

The College is located in a picturesque location spread over 27 acres of land between National Highway (NH- 47) and Arabian Sea at Menamkulam, Kazhakuttom, about 15 km from Thiruvananthapuram city.

Since inception in 2001, the College has been admitting students purely on the basis of merit. The management has signed an agreement with the Government of Kerala for seat sharing whereby 50% of the seats are set apart to the Government for allotment under State merit.

Vision

"To be an Institution offering quality technical education and promoting research with strong ethical values for public good."

Mission

"To mold the young men and women into technologically up to date, socially conscious and morally sound individuals by providing an inspiring environment of learning for the welfare of the society."

IV. Criteria of Eligibility for Admission to M.Tech Courses

a) The applicant shall be an Indian National.

b) The candidate should have B.Tech. Degree in the appropriate branch of APJ Abdul Kalam Technological University or bachelor's degree in Engineering from another University approved by AICTE/UGC approved Deemed Universities in India and recognized to be eligible for higher studies by APJAKTU. The degree must have been approved by the KTU as equivalent to their B.Tech Degree in Engineering.

c) In case of candidates who have an Under Graduate Degree in Engineering from foreign universities, an eligibility certificate from APJ Abdul Kalam Technological University is to be produced.

d) The candidate should have a minimum CGPA of 6.0 in a 10 point scale in the Engineering Degree Examination. For SEBC (OBC) students, the minimum CGPA requirement is 5.5 in a 10 point scale. Wherever the credit system is/was followed, only CGPA will be considered for selection. If the candidate has obtained the bachelor's degree in Engineering from a University where credit system is/was not followed, he/she should have a minimum of 60% aggregate marks (For SEBC /OBC students, a minimum of 55% aggregate marks in the Engineering Degree examination is mandatory). For SC/ST candidates a pass in the Engineering Degree Programme is sufficient.

e) In case the CGPA by any University is mentioned on a scale other than 10 point, then the corresponding CGPA will be proportionally scaled to 10 point scale.

f) Candidates, who have passed AMIE / AMIETE Examinations and satisfying the following conditions, are also eligible for admission. i) They must have valid GATE score. ii) A minimum of 55% marks for section B in AMIE/AMIETE examination.

g) Sponsored candidates from Industries, R&D organizations, National Laboratories as well as Educational Institutions, with a bachelor's degree in Engineering are eligible for admission to the M.Tech Programme.

h) Candidate for sponsored quota must have a minimum experience of three years in the relevant field and must be sponsored by University or Industry/Teaching/Research Organizations of Centre/State Government/Private or by Private Engineering Colleges approved by AICTE. A special fee will be levied on the sponsored candidates. Such candidates may opt for admission into a programme recommended by the sponsoring institute/organization.

i) Admission shall normally be restricted to those with valid GATE score. However, this

stipulation is relaxed in the case of sponsored candidates. In case seats remain vacant due to lack of candidates with valid GATE score, candidates without valid GATE score shall be considered. Admission to such seats will be made on the basis of their CGPA/% marks scored in their Engineering Degree.

j) The maximum number of seats under various categories shall be as per the intake as approved by the AICTE, State Government and APJAKTU.

k) If at any time after admission, a candidate is found not fulfilled any of the requirements stipulated by the University or the statutory body concerned, the admission will be cancelled without any notice.

l) Applicants must have applied online through the link available in the College Website, after registering in the DTE website (www.dtekerala.gov.in or www.admissions.dtekerala.gov.in).

m) College will conduct admission from the rank list of DTE, after inviting separate applications and ascertaining the eligibility for admission as per the norms of the University following the statutory reservation policy. For filling up of 50% management seats, college would resort the Rank list published by DTE, and in the absence of candidates in the rank list by DTE, other eligible candidates from the Rank list prepared by the College will be considered.

V. **How to Apply**

a) All candidates seeking admission to M.Tech Degree courses under Government quota or management quota will have to apply to the College.

b) Application form (online only) is available in the website, www.marian.ac.in.

c) Duly filled in online application form together with the payment details for Rs 500/- must be submitted to the College for getting admission under Government and Management seats.

d) Such applications must be accompanied by copies of all relevant documents.

e) For Government quota (50% seats) the allotment will be made by College based on the rank list prepared by the DTE, Kerala, for those who have applied to this College.

f) For management quota (remaining 50% seats) College will conduct

5

admission from the rank list of DTE, after inviting separate applications and ascertaining the eligibility for admission as per the norms of the University and following the statutory reservation policy. For filling up of this 50% management seats, college would resort the Rank list published by DTE, and in the absence of candidates in the rank list by DTE, other eligible candidates from the Rank list prepared by the College will be considered.

g) Applications without the application fee, copies of relevant documents, certificates for claiming any special consideration/ reservation, mark lists, proof of date of birth, and a photograph will be summarily rejected.
