About ISTE

The Indian Society for Technical Education (ISTE), established in 1968, is a premier national organization dedicated to enhancing the quality of technical education in India. With over 1,30,000 teacher members from various institutions and more than 5,00,000 student members, ISTE fosters innovation, research, and professional development in engineering, technology, and applied sciences, empowering educators and students alike. Major institutions with ISTE chapters include IITs, NITs, IISc, and numerous leading engineering and technical colleges across India.

About LiFFA

Little Flower Football Academy (LiFFA), founded by the Latin Archdiocese of Trivandrum, continues to stand as a beacon of hope and opportunity for the young football talents of our coastal region. Since our inception in 2015, we have been committed to nurturing disciplined, skilled, and value-driven footballers – young men who excel not only on the field but also in life.

As part of our continued journey of growth and excellence, the LiFFA senior team is proudly participating in the upcoming Kerala Premier League (KPL) – a prestigious platform that brings together the best footballing talent from across the state. This participation marks a significant milestone in our mission to provide our players with professional exposure and recognition

Vision

To be an institution offering quality technical education and promoting research with strong ethical values for public good.

Mission

To mould the young men and women into technologically up to date, socially conscious and morally sound individuals by providing an inspiring environment of learning for the welfare of the society.
